Set-Up: Den 9 Opening: Den 6 Skit: Den 13 Closing: Den 1 Clean Up: Den 10

Welcome New Scouts!

Wonderful opportunities are waiting! The new school year brings possibilities of new friends. This month a Cub Scout can invite a new buddy to join the fun and adventure of Cub Scouting! This single act can influence the lives of many others. The boys will make new friends while keeping the old by learning to share and treat buddies with kindness. In the den meeting the boys can learn the value of friendship, cooperation, and respect through games and activities. They will all learn the Cub Scout handshake and motto which will signify belonging to that special group. The boys can practice the buddy system as they go on hikes, work on projects, play games, and participate in sports. This is a great month for boys to earn a Cub Scout Academics or Sports belt loop or pin as they work and play together with an interest they all share.

Popcorn Information

The Trail's End Popcorn sale is a proven method for scouting units to earn the funds they need to provide a quality program for the upcoming year. Scouts who participate in this campaign are able to learn valuable lessons about business, customer service, handling cash, time management, setting goals, and the satisfaction that comes with earning rewards for a job well done.

Come and see what we have cooked up for all the scouts who have earned awards over the summer!
